

Spring chicks out at Bedfont Juniors

Posted by Nina Rossi on Mar 23, 09 09:34 AM in Schools/colleges

Delighted youngsters enjoyed an early burst of Easter yellow in their classrooms last week thanks to 10 tiny chicks who hatched at Bedfont Juniors.

The eggs were on loan to the school from the Living Eggs programme, which works to put youngsters in touch with nature.

Head teacher Ann Broughton said: "The chicks have been great fun. They grow so fast and the children have been absolutely entranced."
